Bob:

Pursuant to our telephone conversation of 9 October 1956, you are advised that a requirement exists for certain spare parts and fittings to support System No. 1 (Production Phase - Equipment Requirement No. 2 - Contract No. A-101). Such items are listed below. This list represents an immediate need for replacement of components which have failed in service and requires expediting. Harry is preparing an over-all list of spares to support System No. 1 equipment and such list will be furnished you when available.
